MEMORANDUM FOR: Director of Finance

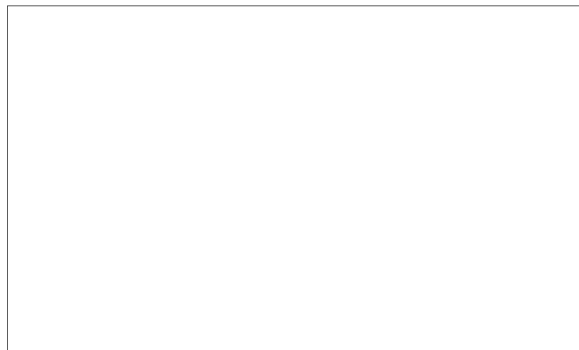

FROM:

Liaison Division/OLL

SUBJECT: Federal Employee Pay Raise

1. This is to inform you that on 5 September, Representative Stan Parris introduced H.R. 6191. This bill would provide for a 4-percent pay comparability increase for Federal officers and employees, effective as of 1 October 1984.

2. This bill was referred to the House Post Office and Civil Service Committee where it is now pending. This measure is given little chance because of the short time remaining this session. No other measures intended to revise the President's decision to implement a 3.5 percent pay raise on 1 January 1985 have been introduced.
